Readout from DGs small boats meeting:

LPP There were also several references to close working between HO and DfT which felt odd given that the lack of this has been a specific issue **LPP**

LPP

- Name (BF) started by highlighting the political pressure within HO and described each of the 3 blockading tactics currently being explored within HO/BF

LPP

- **James Driver raised the** need for DfT to understand the timetable once there is a detailed proposal is on the table
- **Brian Johnson (MCA) expressed unease with tactics again pointing out that** MCA has accountability for delivering SAR outcomes of SOLAS **LPP**

LPP Deeply concerned
