**Subject:** Small Boats - Planning Meeting  
**Attachments:** XWH Small Boats Meeting Readout.docx

Dear all,

Ahead of tomorrow's meeting, please see attached readout from the last XWH Small Boats Meeting. The action under 'Responsibility for SAR' section is the driver of this planning meeting.

I'm aware that not all recipients are attending/dialling in to tomorrow's meeting, but may well be going forwards, hence the wider circulation.

Regards,
