**Subject:** Assistance to Dover for Tuesday/Wednesday night shifts

Good afternoon all,

This is a last-minute request for anyone available and willing to travel to and work from MRCC Dover for the upcoming Tuesday and Wednesday night shifts this week, to assist the Dover team with their operational response to the anticipated small boats activity across Tuesday evening into Thursday morning. Obviously all T&E will be covered and accommodation arranged on your behalf.

If you're interested in supporting MRCC Dover, could you please inform George Papadopoulos and Mike Bill (both cc'd) as soon as you can. And thank you in advance for supporting your colleagues across the network!

Kind regards,

**Subject:** Additional evidence request

Good afternoon Julie,

Happy New year and I hope you had a good break over the festive season. I am still working on the draft report for the migrant investigation and I am looking at the planning meeting minutes from 22/11/2021, in particular discussion about finding additional staff for the Wednesday night (night of 24/11/2021). This is agenda item 5. The minutes record an action against Duncan Ley to ask for volunteers for the Wednesday night. Do you have any supporting evidence to support that this action was taken and what the result was? I am aware that this represents the night shift after the accident but it would be helpful to confirm that the action was taken.

Please drop me a line if you want to discuss.

Many thanks,
