VALIANT: Yeah, understood. When the RIB returns to the vessel, I'll ask them if they can give me a quick description of whether it's dark or black or grey or whatever and I'll try and get back to you. Over.

DOVER COASTGUARD: Valiant. Dover coastguard. Roger that is well understood and for information coastguard rescue helicopter 163 has identified another craft heading Westerly just to the southwest of your position. Over.
