MATT: Matt West(?) good morning.

DOVER COASTGUARD: Good morning Matt, it's George from Dover, how are you?

MATT: Hello mate, are you all right?

DOVER COASTGUARD: Yeah, not too bad. So, I mean, based on how many we've got in here in the incident room, I'll just jump in as an MC to help around, if that's all right, because I can see it's two of you today, tactical, yeah?

MATT: Well, kind of yes and no.

DOVER COASTGUARD: Okay.

MATT: I've got other stuff that I'll probably have to come out of the ops room for.

DOVER COASTGUARD: Okay, no worries. I was thinking to start with to jump in as an MC to help the team here because it's James Crane(?); Name
So it's three of them including the duty SMC, so with me, it's going to be three hands on plus the SMC keeping the awareness. But it's up to you. If you do require someone, you need tactical cover for zone 14, I'll be around to take over.

MATT: Sorry, what do you need?

DOVER COASTGUARD: Sorry, more or less, my decision will be to jump in as an MC to help the team now. However --

MATT: So you don't need anything from us yet?

DOVER COASTGUARD: No, no, I'm just saying that if you do need to -- if you think you need to hand over tactical and I'm around and it's not too busy, the ops room are happy to take over.

MATT: Okay, okay, yeah, no, fine, I'll have a chat with George when he comes back. He's just in a meeting. So...

DOVER COASTGUARD: All right, mate, no worries.

MATT: No problem. Okay.

DOVER COASTGUARD: Cheers, Matt.

MATT: Yeah, keep us posted, cheers, pal.

DOVER COASTGUARD: Bye, bye.

MATT: Ta-ra.
